*A special place for God's people for getting away for a special time with the Lord  
Great for individual or group spiritual renewal, revival, and refreshing*

*The Sanctuary is a house with 14 bedrooms set up family style, similar to a "bed-and-breakfast" lodging place. It is anointed, warmly decorated, and ideal for a great spiritual gathering. People come from all over the USA and some foreign countries to spend nights in The Sanctuary. Come and enjoy so much.*

## *Welcome to The Sanctuary of the Firstborn*

***From Dr. Pernell H. Hewing, Owner/Manager***

***Dr. Pernell H. Hewing is founder, minister, and director of Sanctuary Outreach Ministries, of Whitewater, Wisconsin. Called to the ministry after receiving her Ph.D. Degree in Business, she has committed her life to the Lord in total surrender and is committed to a life of prayer and training, guiding, and nurturing other for the ministry of prayer. Her passion is being a blessing to God's people and ushering them into the presence of the Lord.***

***Dr. Hewing, author of many books, is the pastor and minister of the Sanctuary.***

***She was ordained as an Apostle by Bishop Bill Hamon, Christian International Apostolic Network (CIAN), Santa Rosa Beach, FL and is now Midwest Regional Coordinator of CIAN.***

## Preparation for Blessing

Prepare yourself spiritually, physically, mentally, and financially to come meet the Lord, and take the suggestion God gave to Moses to tell the people; it is written:

***“And the Lord said unto Moses, Go unto the people, and sanctify them today and tomorrow, and let them wash their clothes,***

***“And be ready against the third day: for the third day the Lord will come down in the sight of all the people upon Mount Sinai.” Exodus 19:10-11***

### **Spiritual Preparation:**

Seek the Lord’s face and prepare to meet Him. Consecrate yourself to the Lord. Be prepared to pray and fast in some way before you come and/or while you are in The Sanctuary. Tell the Lord what you desire and what you are willing to do to obtain His perfect will. Do whatever He leads you to do.

### **Physical Preparation before coming and/or while in The Sanctuary:**

You want your body to be renewed also. If you cannot fast, eat light. Eat as much natural foods as possible such as fresh fruits and vegetables. If you need physical and/or inner healing, seek the Lord for physical and/or inner healing by getting His mind on your condition and what is required for your healing.

### **Mental Preparation:**

Prepare yourself mentally to meet the Lord by letting your mind rest. Rest on the Lord. Prepare to be quiet, to spend consecrated time alone with God. Be prepared to put aside all mental work and mental concern.

### **Financial Preparation:**

Ask the Lord for what you should give as a donation to the Sanctuary Ministry and be prepared to give a free-will offering for the ministry and/or ministers of The Sanctuary.

Know that we also have an excellent Christian Book Store and you will be blessed and bless our work by purchasing some good books. The book written for the room in which you will stay is available for sale in our book store. You will want to purchase that book so that you will study it when you return home in order to keep what you receive in The Sanctuary.

### **Ministry in and of The Sanctuary:**

When you come into The Sanctuary, know that you are coming into the House of the Lord. Remove your outdoor shoes while in The Sanctuary and wear Sanctuary footwear which is available for your use while you are here. Although we prefer Sanctuary footwear while here, you may use your own indoor house slippers if you desire.

You will receive deep ministry in your room as you enter into the ministry of the room. If you come with a group, know that you will have a time of fellowship, but be prepared **not** to spend a lot of time talking and visiting with one another – especially in rooms. You can do that after your Sanctuary experience.

If space is available, we will separate husband and wife so that each can seek the Lord and receive from God. You will have time to come together for sharing in the Sanctuary, but not for sex. Since husband and wife are both here to meet the Lord and not to indulge the flesh, **sex is not allowed in the Sanctuary**. You will have time for sex when you leave the Sanctuary. Remember Moses' words to the children of Israel when they prepared to meet God . . . ***"And he said unto the people, Be ready against the third day: come not at your wives."*** Exodus 19:15

#### **Eating Arrangements:**

Ideally, one should plan to fast during your stay at the Sanctuary. However, several eating establishments are located within a few blocks of the Sanctuary. If you plan to eat, we ask that you plan to go out for meals.

Please do not bring any food or drink in the Sanctuary. We shall provide good drinking water and herbal tea.

#### **Book and CDs Ministry in the Sanctuary:**

Many excellent CDs of deep teaching healing messages, as well as praise CDs are available to minister to you while you are here. CD players are in the rooms. Please do not move CD players that you find placed in strategic places in The Sanctuary. **PLEASE do not leave CDs you used lying around uncovered.**

You will also find good reading materials in the rooms. Each room has the ministry of that room written in book form. These lessons are available in the Bookstore for you to purchase and take with you.

Please do not move anything out of place when you come, i.e. books, CD players, chairs, etc. When you move anything, please put it back in the place where you found it.

#### **Miscellaneous:**

Towels, soap, etc. are available in the rooms in the Sanctuary. All you need bring with you is other personal items. **NO SMOKING any place on the premises, please!**

#### **Time of retiring:**

Please try to return to your room between 10 and 11 p.m. (preferably 10 p.m.) One may be tempted to visit other guests, etc. Remember, the ministry is in the room and you are to retire early to meet the Lord. Even if you do not go to bed immediately, spend your time in your room reading, praying or just relaxing.

## Preparation for an Encounter with the Lord

Please prepare yourself to meet with the Lord and plan to bask in His presence. To prepare yourself for this unusual experience, please read the following guidelines:

1. **Expect to meet the Lord.** Although you may have an agenda of your own, He will only speak on what He wants to deal with in your life. He may get to your agenda, but wait quietly before Him for His leading.
2. **THERE IS A SPECIFIC MINISTRY IN THE ROOM IN WHICH YOU ARE PLACED.** You must seek to enter into that ministry. Under no circumstances must you bring in outside material, cds, etc., because what God wants you to know or enter into is in the room already, and it is connected to the ministry of the room.
3. You should definitely not come to the room and not get into the ministry of the room. That is the only reason for spending time in the room. Often one will come to get an answer to a particular problem. God may not deal with that problem, but may need to deal with something else before He can touch that problem.
4. In order to enter into the ministry of the room, you must follow the directions given when you check in, read the information about the room which is in the “book of the room”. If you want to read a good Christian book, there are many in the room and they are connected to the ministry of the room.
5. **It is important that you stay in the presence of the Lord.** You do not come to The Sanctuary to spend time visiting and talking with others in the house. Stay in your room most or all of the time.
6. The CDs and books in the bookstore are good, but what God has to say to you is much better. He may not speak immediately, but if you wait, He will. Do not run away from the presence of the Lord.
7. You should stay overnight at least two nights to get the most out of your stay. That is a minimum time of stay. If by chance you are here for only one night, you probably will not get all God has for you. **God does not speak to our convenience or bow to us when we give Him a little of our time.**
8. **Overnight Lodging:**
  - \$75.00 per night Monday – Thursday and \$85.00 per night Friday – Sunday (Single).
  - \$100.00 per night Monday – Thursday and \$110.00 Friday – Sunday (Married Couple)

Please complete the attached registration form after you have a confirmed reservation.

**We Welcome Any Donations Above The Regular Price**

**Your blessing is in the gift above the cost.**

(Make checks payable to **The Sanctuary**)

† Each room has been named by God to depict the ministry He has established for that room. Details of that ministry are explained in a book in the room.

† When one comes into the room, he/she enters into the presence of the Lord. The Lord then meets that one at the point of his/her need, arresting one's fears or cares, if there be any.

† The *Sanctuary* is a center of a Priestly Prayer Body Ministry where saints co-labor with God night and day sending up priestly prayers for individuals, ministers, and ministries. Many come from far and near to be revived, healed, and join in the priestly ministry of prayer.
